

ESTIMATED MONTHLY and ANNUAL FUEL SAVINGS *(Updated February 17, 2012)*

The attached information is included as an estimate only and is utilized to establish the magnitude of cost savings derived through the use of the DG78 MAGIC Fuel Catalyst. All numbers are estimates and should not be considered absolute values.

Estimated: ECT

Emissions Comparison Estimate Only!

| | |
|-----------------------------------|----------------|
| Monthly Fuel Consumption: | 20,000 gallons |
| Monthly Fuel Costs (\$3.99/gal.): | \$79,800.00 |
| Improvement in Fuel Efficiency: | <u>8.7%</u> |
| Monthly Gross Fuel Savings: | \$6,942.60 |

Estimated Gross Annual Savings Based On
240,000 Gallons of Diesel Fuel Consumed: **\$83,311.20**

Using the fuel savings data produced from the Emissions Comparison test procedure, the results show that [REDACTED] could potentially reduce annual fuel consumption costs by a minimum of \$83,311.20. Other cost reducing factors that will enhance the use of DG78 MAGIC fuel catalyst include reduced repairs due to carbon related failures; extended oil change intervals as experienced by other DG78 MAGIC fuel catalyst customers; reduced fuel system repairs with the additional fuel system lubricant contained in the catalyst; and, increased engine life. These factors and many more are the reason that so many companies are opting to implement DG78 MAGIC fuel catalyst as part of their preventive maintenance program.

Other benefits in using DG78 MAGIC fuel catalyst are as follows:

| | |
|----------------------------------|---|
| Demulsifier: | Removes water from fuel |
| Biocide: | Helps control bacterial growth in fuel |
| Polymerization Retardant: | Helps prevent the formation of solids in fuel |
| Dispersant: | Helps to eliminate existing solids in fuel |
| Lubricant: | Lubricates the fuel system (fuel pump and injectors). |
| Detergent: | Cleans the fuel pump and injectors. |
| Corrosion Inhibitor: | Protects against fuel tank corrosion. |
| Metal Deactivator: | Prevents catalytic oxidation |
| Fuel Stabilizer: | Extends life of fuel for 40 years |
